## FAQ

### **HOW often does PASSAGE have exhibits?**

PASSAGE has approximately 6-8 exhibits per year and each exhibit runs approximately 4-8 weeks at a time.

### **WHAT kind of art may be displayed in this space?**

We accept a variety of formats, but most of our accepted entries will be two-dimensional wall art due to the design of our gallery space.

### **ART guidelines:**

All artwork should arrive at the gallery space ready for installation. The artist will be responsible for the installation. Framing is not required, but we require that all pieces be ready to hang. PASSAGE will allow pieces of an exhibit to be available for sale, though sale prices are not to be listed, posted or visible. All sale negotiations should go directly through artist and buyer and not through any PASSAGE representative. If a piece is sold during the duration of an agreed upon exhibit in the PASSAGE gallery, the place is not required to be filled. PASSAGE will receive no commission or percentage of any exhibit/art sales.

### **ARTISTS are responsible for:**

The artist will be responsible for the transport of the works to and from the gallery space on the specified date (see the agreement form for start and end dates).

The artist is responsible to provide PASSAGE with all biological profiles, artist background and any elements that should be included in promo of the exhibit. PASSAGE will advertise the exhibit on their website, Sunday morning communications, Facebook page, and other social media, but any outside advertising will be the artist responsibility.
